The St. Charles Carnival
The St. Charles Carnival is always a blast,
Along with the rides that go really fast.
Food tents, fun houses, and fun games galore,
All of that's here, along with much more.
At the St. Charles Carnival, you'll always have fun,
If you're lucky, you might win a prize when you're done.
When you're tired, there's plenty of places to sit,
But it's great, nonetheless, come over, don't miss it!

Benjamin Lamendola

I chose to attend Holy Cross Preparatory Academy because they have a good soccer team, my friends are going there, they have a good schedule, they have great food at lunch, great teachers, and nice students. I am looking forward to soccer and all my classes that I picked. I am also looking forward to being in classes with my friends.

Kevin Wojnar

I chose to attend Holy Cross Prep Academy because I know many of the teachers and students. My siblings also went there and really enjoyed it there. I am looking forward to playing soccer and track and field. Also, I am looking forward to making new friends and meeting new teachers.

Mackenzie Milliner

I chose to attend Holy Cross because when I shadowed, I felt comfortable and all the people that I met were very kind and respectful. I also chose to attend Holy Cross because they have a great education program, and I like the block scheduling. I also chose to go there for soccer and the girl's team is very good. When I go to high school I am looking forward to playing soccer. Holy Cross has a strong team so I think I will get better and succeed when I am playing. It will give me lots of opportunities, and I am willing to put in the work to be the best I can possibly be. I am also looking forward to meeting new people, and I'm excited to experience block scheduling.

Kate O'Connor

I chose to attend Camden Catholic High School because of their very welcoming staff and their beautiful campus. I felt very comfortable when I shadowed there, so I knew this was the right high school for me. Camden Catholic has a very flexible schedule, and many sports and clubs that you can choose from. I am looking forward to many things when I go to high school. Some of those things include having my own locker, meeting new friends while doing sports, having more free time to study or catch up on work, having a rotating schedule, meeting new teachers, and much more.

It is going to be such an exciting experience to attend Camden Catholic!

Bebe Felices

I chose to attend Holy Cross because it is close to where I live and my older sister goes there. When I go to high school, I am looking forward to meeting new people, new classes, and trying new things.

Rocco St. John

I chose to attend Holy Cross for many reasons. First, I chose Holy Cross for its convenience; Holy Cross is very close to where I live. It's so close that it only takes 5 minutes to get there by bike. Another reason is its soccer team. I know Holy Cross has a good soccer program and they have many open goals to practice with. Finally, I chose Holy Cross because of their academics. They have many courses that can allow me to acquire college credits. Holy Cross can help improve me for college with its courses. I am looking forward to many things when I go to high school. I am looking forward to playing soccer for Holy Cross and meeting new people. I can make new friends. Finally, I can find new interests. People I meet and the electives I take can interest me in different hobbies.

Bitsy Mackintosh

I chose to attend Bishop Eustace Preparatory School because the teachers and staff are always available to help you, and they will prepare you for college. I like the variety of sports and activities they have to offer at Bishop Eustace. When I shadowed there, all the students seemed friendly and happy. When I go to high school, I am looking forward to making new friends and meeting my new teachers. I am excited to be in new classes, sports, and activities that I didn't do in middle school. I am looking forward to seeing what my new school is like and getting used to the campus.

Tracy Sykes

I chose to attend Paul VI High School because I like how we get personal iPads for schoolwork and the classes I can take. In high school I am looking forward to more freedom, new classes, and playing football.

Sean Barrett

I chose Holy Cross because I loved the longer periods and less classes. They also have a ping pong table at lunch and free period. I am looking forward to making new friends and having a locker.

Scarlett Fratantoro
